

Augmenting students' post-practicum experience

Gold Coast University Hospital
E-G-002 Lecture theatre (E block)

The Developmental Conference is an invitation only event associated with the Office of Learning and Teaching grant: Augmenting students' post practicum experiences. This teaching and learning grant focuses on the different ways in which students' workplace experiences can be integrated into their programs of study, once they have completed their practicums, clinical placements, et cetera. The first phase of this grant comprises 14 projects being undertaken in the healthcare sector across five universities. At the Developmental Conference, these projects will report their processes and findings on the first day. On the second day, participants involved in 30 additional projects will consider the processes and findings of the first phase project and develop their own projects which will be enacted across 2017.

Please register for this event [HERE](#)

Location

The Gold Coast University Hospital is located at Hospital Blvd, Southport opposite Griffith University's Gold Coast campus and approximately 5.5 kms from Surfers Paradise. A map of the campus is provided overleaf.

Getting there

The hospital is serviced by the 719 bus and the Gold Coast Light Rail which leaves approximately every 7 minutes. The journey by tram takes approximately 25 minutes. Please see this link for more information: <http://ridetheg.com.au/>
